Intro

Hoo -----
Hoo -----Ye-e-ah

V1 If I can reach the stars
Pull one down for you
Shine it on my heart
So you could see the truth.
Then this love I have inside
Is everything it seems,
But for now I find
'S only in my dreams that I can

Chorus Change the world
I will be the sunlight in your universe
You would think my love was really something good baby
If I could if I could change the world.

V2 If I could be king
Even for a day
I'd take you as my queen
I'd have it no other way.
And our love will rule
In this kingdom we have made.
'Til then I'd be a fool
Wishing for the day that I can

Chorus Change the world
I will be the sunlight in your universe
You would think my love was really something good, baby
If I could if I could change the world.

Baby if I could
If I could change the world.

That I can

Chorus Change the world
I will be the sunlight in your universe
You would think my love was really something good, baby
If I could
Change the world, baby if I could
Change the world, baby if I could
Change, if I could change the world
Ooo
