

# Fix You (Coldplay) 2005

(Arr: Vicky Hadland)

## Tune (sop)

When you try your best but you don't succeed  
When you get what you want but not what you need  
When you feel so tired but you can't sleep  
Stuck in reverse

When the tears come streaming down your face  
When you lose something you can't replace  
When you love someone but it goes to waste  
Could it be worse

Lights will guide you home  
And ignite your bones  
I will try to fix you

High up above or down below  
When you're too in love to let it go  
But if you never try you'll never know  
Just what you're worth

Lights will guide you home  
And ignite your bones  
I will try to fix you

Tears stream down your face  
When you lose something you cannot replace  
Tears stream down your face  
And I

Tears stream down your face  
Promise you I will learn from my mistakes  
Tears stream down your face  
And I

Tears stream down you face  
When you lose something you cannot replace  
Tears stream down your face  
And I

Lights will guide you home  
And ignite your bones  
I will try to fix you
