

Happy Together – 1967 (*The Turtles*) Based on an arrangement by Gitika Partington. Additions: Vicky Hadland.

Sop

Imagine me and you, I do
I think about you day and night, it's only right
To think about the one you love and hold them tight
So happy together.

If I should call you up, invest a dime
And you say you belong to me, and ease my mind
Imagine how the world could be, so very fine
So happy together.

Chorus

I can't see me loving nobody but you
For all my life
When you're with me, baby the skies'll be blue
For all my life.

Me and you, and you and me,
No matter how they tossed the dice, it had to be
The only one for me is you, and you for me,
So happy together.

Chorus

I can't see me loving nobody but you
For all my life
When you're with me, baby the skies'll be blue
For all my life.

Me and you, and you and me,
No matter how they tossed the dice, it had to be
The only one for me is you, and you for me,
So happy together.

Chorus

I can't see me loving nobody but you
For all my life
When you're with me, baby the skies'll be blue
For all my life.

If I should call you up, invest a dime
And you say you belong to me, and ease my mind
Imagine how the world could be, so very fine
So happy together.
