

I Believe I Can Fly *(R.Kelly 1996 / Arr: Vicky Hadland)*

Tune - **Bass**

I used to think that I could not go on
And life was nothing but an awful song
But now I know the meaning of true love
I'm leaning on the everlasting arms

If I can see it, then I can do it
If I just believe it then there's nothing to it

Chorus

I believe I can fly
I believe I can touch the sky
Think about it every night and day
Spread my wings and fly away
I believe I can soar
See me runnin' through that open door
I believe I can fly
I believe I can fly
I believe I can fly

See I was on the verge of breaking down
Sometimes silence can seem so loud
And there are miracles in life I must achieve
But first I know it starts inside of me

If I can see it, then I can feel it
If I just believe it, then there's nothing to it

Chorus

'Cos I believe in me

If I can see it, then I can feel it
If I just believe it, then there's nothing to it

Chorus

I believe I can fly
I believe I can touch the sky
Think about it every night and day
Spread my wings and fly away
I believe I can soar
See me runnin' through that open door
I believe I can fly x 5 / if I just spread my wings
Fly, fly, fly
