

# Just Give Me a Reason – Pink (2012) (Arr: Vicky Hadland)

## Sop

**Intro:** Ba da da da da da da, da da da, da, da

Right from the start  
You were a thief, you stole my heart  
And I your willing victim.  
I let you see the parts of me that weren't all that pretty  
And with every touch you fixed them.  
Now you've been talking in your sleep oh oh  
Things you never say to me oh oh  
Tell me that you've had enough  
Of our love, our love.

## Chorus

Just give me a reason, just a little bit's enough,  
Just a second we're not broken just bent  
And we can learn to love again  
It's in the stars, it's been written in the scars on our hearts  
We're not broken just bent and we can learn to love again.

I'm sorry I don't understand  
Where all of this is coming from  
I thought that we were fine.  
Your head is running wild again  
My dear we still have everything  
And it's all in your mind.  
You've been having real bad dreams oh oh  
You used to lie so close to me oh oh  
There's nothing more than empty sheets  
Between our love, our love.  
Oh our love our love.

## Chorus

Just give me a reason, just a little bit's enough,  
Just a second we're not broken just bent  
And we can learn to love again  
It's in the stars, it's been written in the scars on our hearts  
We're not broken just bent and we can learn to love again.

Oh tear ducts and rust, I'll fix it for us  
We're collecting dust, but our love's enough.  
You're holding it in, you're pouring a drink  
No nothing is as bad as it seems
