

Just Give Me a Reason — Pink (2012) *(Arr: Vicky Hadland)*

Sop

Intro: Ba da da da da da da, da da da, da, da

Right from the start
You were a thief, you stole my heart
And I your willing victim.
I let you see the parts of me that weren't all that pretty
And with every touch you fixed them.
Now you've been talking in your sleep oh oh
Things you never say to me oh oh
Tell me that you've had enough
Of our love, our love.

Chorus

Just give me a reason, just a little bit's enough,
Just a second we're not broken just bent
And we can learn to love again
It's in the stars, it's been written in the scars on our hearts
We're not broken just bent and we can learn to love again.

I'm sorry I don't understand
Where all of this is coming from
I thought that we were fine.
Your head is running wild again
My dear we still have everything
And it's all in your mind.
You've been having real bad dreams oh oh
You used to lie so close to me oh oh
There's nothing more than empty sheets
Between our love, our love.
Oh our love our love.

Chorus

Just give me a reason, just a little bit's enough,
Just a second we're not broken just bent
And we can learn to love again
It's in the stars, it's been written in the scars on our hearts
We're not broken just bent and we can learn to love again.

Oh tear ducts and rust, I'll fix it for us
We're collecting dust, but our love's enough.
You're holding it in, you're pouring a drink
No nothing is as bad as it seems
