### Intro:

Ooh-----  
Ooh-----ooh-----  
Ooh-----ooh-----  
Ooh---ooh---ooh--- ooh-ooh

When the rain is blowing in your face  
And the whole world is on your case,  
I could offer you a warm embrace  
To make you feel my love ---- ooh-ooh

When the evening shadows and the stars appear,  
And there is no-one else to dry your tears  
I could hold you for a million years,  
To make you feel my love--- ah-ah

I know you haven't made your mind up yet,  
But I would never do you wrong--- ah-ah  
I've known it from the moment that we met,  
No doubt in my mind where you belong--- ooh-ooh

I'd go hungry I'd go black and blue,  
And I'd go crawling down the avenue,  
No there's nothing that I wouldn't do  
To make you feel my love.

Ooh-----ooh-----  
Ooh-----ooh-----  
Ooh-ooh-ooh--ooh--ooh—ooh---ooh---  
Ooh-ooh ooh-----ooh-----ah-ah

The storms are raging on the rolling sea,  
And on the highway of regret.  
The winds of change are blowing wild and free,  
You ain't seen nothing like me yet ---- ooh-ooh

..... mm--mm--mm--mm-----  
Ooh--- ooh-ooh-ooh-----  
Ooh-ooh-ooh-----  
Ooh--ooh make you feel my love, my love  
Mm --- make you feel my love.
