Verse 1

You, you're such a big star to me
You're everything I want to be
But you're stuck in a hole
And I want you to get out
I don't know what there is to see
But I know that it's time to leave
We're all just pushing along
Trying to figure it out, out, out

You, oo
Oo-oo
Oo-oo
Oo-oo-oo
Oo, oo
Oo-oo
Oo-oo
Oo-oo-oo, out, out, out

Oh your anticipation pulls you down
When you can have it all, you can have it all.

Oo-----
Oo-oo, you can have it all

Chorus

**So come on, so come on, get it on
Don't know what you're waitin' for
Your time is comin', don't be late (hey)
So come on, see the light on your face, let it shine
Shine, (just let it) shine, let it shine.**

Verse 2

Stop! being so hard on yourself
It's not good for your health
I know that you can change
So clear your head and come round
You only have to open your eyes
You might just get a big surprise
And it might feel good
And you might want to smile, smile, smile.

Stop! oo
Oo-oo
Oo-oo
Oo-oo-oo
Oo, oo
Oo-oo
Oo-oo
Oo-oo-oo, smile, smile, smile

Oh don't you let your demons pull you down
'Cause you can have it all, you can have it all.

Oo-----
Oo-oo, you can have it all

Chorus: **So come on etc**

**Hey hey let me know yer (let me know yer)
