Tenor

Doo doo doo do
Doo doo doo do

Ooh ooh ooh
Ooh oh ooh ooh oh
Ooh ooh ooh
Darkness there inside you makes you feel so small.

True colours shining, true colours
True colours, and that's why I love you,
So don't be afraid to let them show,
True colours, true colours
Beautiful, beautiful.

Doo doo doo do
Doo doo doo do
Smile then, don't be unhappy
Can't remember – last saw you laughing
World makes you crazy and you've
Taken all you can bear, you call me up
Because you know I'll be there.

True colours shining, true colours
True colours, and that's why I love you,
So don't be afraid to let them show,
True colours, true colours
Beautiful, beautiful.

Doo doo doo do
Doo doo doo do
Doo doo doo do
Doo doo do do do doo

Bass

Doo do doo do doo do doo do
Doo do doo do doo do doo do

Doo doo doo doo
Doo doo doo doo do
Doo doo doo doo
Darkness there inside you makes you feel so small.

True colours shining, true colours,
True colours, and that's why I love you,
So don't be afraid to let them show,
True colours, true colours
Beautiful, beautiful.

Doo do doo do doo do doo do
Doo do doo do doo do doo do
Smile then, don't be unhappy,
Can't remember - last saw you laughing
World makes you crazy and you've
Taken all you can bear, you call me up
Because you know I'll be there.

True colours shining, true colours,
True colours, and that's why I love you,
So don't be afraid to let them show,
True colours, true colours
Beautiful, beautiful.
